

IN THE UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
WESTERN DIVISION

UNIVERSITY OF NORTHERN  
VIRGINIA, INC.,

Plaintiff,

vs.

TIFFIN UNIVERSITY, INC.,

Defendant.

CASE NO. 3:09-CV-2225

JUDGE DAVID A. KATZ

SUPPLEMENTAL AFFIDAVIT OF  
JIRÍ BUCHVALDEK

COUNTRY OF THE CZECH REPUBLIC )  
CAPITAL CITY OF PRAGUE ) SS:  
)

Now comes Jiří Buchvaldek, Advocate, of legal age and after having been duly sworn and states that the following is true:

1. I am admitted as a fully qualified Czech advocate by the Czech Bar Association and am the co-founder of the law firm of HRUBÝ & BUCHVALDEK, v.o.s., advokátní kancelář, located in Prague, Czech Republic. In my capacity as a fully qualified Czech advocate, I have knowledge of and regularly practice law in the court system within the Czech Republic.

2. I have reviewed the claims made by University of Northern Virginia, Inc. ("UNVA") against Tiffin University in the Complaint filed in this case and UNVA's Opposition

to Motion to Dismiss for *Forum Non Conveniens*. The Czech Republic has a court system in which private entities such as the UNVA could bring a grievance and pursue remedies for alleged unlawful business activities arising from activities or conduct occurring in the Czech Republic like the Complaint filed in this case.

3. Because the allegations set forth in the Complaint address business activities and conduct occurring in the Czech Republic and UNVA alleges that Tiffin University engages in business within the Czech Republic through its campus in Prague, the court system available in the Czech Republic could exercise jurisdiction.

4. Additionally, the Czech Republic has a significant interest in adjudicating in the matter of Plaintiff's Complaint because the allegations directly relate to the employment relationships and employment contracts of individuals employed and working within the Czech Republic. Such employment relationships and contracts within the Czech Republic are governed by the laws of the Czech Republic. The Complaint further directly relates to the solicitation and enrollment of students at educational institutions that operate within the Czech Republic under the accreditation of the Czech Ministry and are subject to the laws of the Czech Republic.
